SWISS BIOTECH DAY

INTERNATIONAL DELEGATION PROGRAM

Japanese Biotech Delegation to Switzerland

26–27 April 2027 · Congress Center Basel

ABOUT

The Swiss Biotech Day is the flagship annual event of the Swiss Biotech Association and a leading international platform for collaboration within the life sciences industry. In 2026, more than 3,500 participants from 58 countries and 31 international delegations gathered in Basel, one of Europe's leading biotechnology hub.

The event brings together biotech leaders and investors, pharma representatives, academic research groups, CROs and CDMOs to network, exchange ideas and explore advances in R&D, manufacturing, AI, data management, talent development and innovative financing. The embedded Global Village further strengthens international partnerships and promotes cross-border investments and collaborations.

Japanese biotech and pharma companies are invited to join the Japanese delegation organized by the Swiss Business Hub Japan, Embassy of Switzerland in Japan.

WHY

Networking, matchmaking & partnering with …

- 3,000+ biotech decision makers from 50+ countries
- International biotech CEOs, entrepreneurs and investors
- Swiss biotech leaders and innovative start-ups
- Academic and translational research partners
- Public and private stakeholders seeking cross-border collaborations

… by participating in:

- Pre-scheduled 1:1 partnering meetings
- Thematically focused panel discussions
- Networking receptions
- Investor and partnership matchmaking opportunities
- Pitch sessions (for startups)

OFFER

Free access* to the Swiss Biotech Day 2027 (26-27 April 2027), including access to partnering system and the welcome reception on 25 April (** one person per company is covered; first-come first-served; limited number of free tickets; discount tickets are available for further participants*).

Side program – our partners will organize visits and meetings:

- Visit leading life science ecosystems across Switzerland at leading biotech hotspots, such as Switzerland Innovation Parks, Bio-Techno Parks and research institutes
- Meet leading universities and research institutes, pharma companies and innovative startups

We support your planning and logistics and guide you throughout your stay in Switzerland.
